

## **MAMA's Neighborhood Donations**

The Los Angeles DHS Women's Health Programs and Innovation Department- Strong Start MAMA's Neighborhood program provides:

- Quality health care for pregnant postpartum women
- Connects participants to supportive services within DHS and with neighborhood community partner agencies; &
- Helps to lower babies being born before 37 weeks (preterm) or being born with a low birth weight.

We serve mostly low-income women and families. The majority of our prenatal mothers use pregnant Medi-Cal services, whose eligibility income level is at or below the 200% of the Federal Poverty Level (FPL).

Many families are in need of basic necessities for child and family safety and well-being including:

Diapers and wipes  
Swaddlers and Blankets  
Breastfeeding (nursing bras)  
Baby Clothes/Sleepers  
Hygiene kits (chapstick, feminine products, lotion)

If you are interested in giving a donation, please call Jocelyn at 310-222-3918.
